Dill

PHOTOGRAPHED BY JOANIE ALLUM

A blonde woman with short, wavy hair is sitting on a carpeted floor. She is wearing a black, strapless, form-fitting corset or bodysuit made of a shiny, latex-like material. The corset features a large, circular, concentric-ripple design on the bust and a vertical zipper or seam down the center. She is looking directly at the camera with a slight smile. She is surrounded by crumpled clear plastic and some dark fabric. Her hands are resting on the floor near the plastic. A ring is visible on her left hand.

Wow, Dill – you look
as horny as fuck!
*I just got tired of
always being portrayed
as the shy, cute and
innocent type, and
thought it was time to
crack out the leather.
Or should I say show
my crack in the leather!*

A blonde woman with shoulder-length hair is sitting on a grey carpeted floor. She is wearing a black, shiny, strapless corset with a spiral design on the bust and a vertical row of buckles down the front. She is also wearing black high-heeled shoes and sheer black stockings. She is leaning against a white brick wall, looking directly at the camera with a slight smile. Her legs are spread apart, and she is in a provocative pose.

So, are we seeing the real you? A 'Dirty' Dill? Put it this way, I'm not the shy and retiring sort who just keeps her head down. Unless it's a certain sex act I'm involved in, of course. If that's the case I keep my head down for as long as possible – or at least until the guy has emptied his balls!

Steady on, girl!
But it's the truth. Too many people mince their words these days. I'd rather get straight to the point – a man's point!

Jeeppers! This leather has really got you frisky...
It feels pretty nice, I'll give you that. And believe me, I want to give somebody a whole lot more. Ooh! The way I'm feeling!

Do you wear leather often, or is this pretence?
This particular little number isn't mine but yes, I have some leather stuff. You can't beat the feeling of leather against bare skin. Hmm... yummy!

Those heels are great! Aren't they just? Yeah, these boots were made for walking – and that's what I'm going to do! I've got to go out and get a shag before the night's out!

So how can
you be turned on?
Sammy: *We need
to be given a good
shafting!*

Josie: *[Laughs]*
Sam! *She's terrible
she really is!*

Sammy: *No, okay,
not a shafting...
we need a damn
good seeing to!*

We're not going
to get any sense
from you, are we?

Sammy: *Hub,
men, I don't know.
They can't handle
themselves when
they meet us.*

Josie: *That's
because you're too
busy handling
them, Sam! Now
let's stop arguing
and have more
lezzie sex!* 

Go on then, give
us a lap dance.

*Hey, this is my day
off! It's like a
prostitute once said,
"If I'm not getting
paid, you're not
getting laid!"*

Where do you
go lap dancing?

*The cities, mainly
London. I go down
well there.*

Got a following have you?
*There are a regular group of
blokes who always seem to be
in the audience when I'm
doing my thing. I can't tell
whether they're there just
because of me, but I like to
think they are. It does
wonders for my ego.*

Set up a fan club for them.
*More like a fanny club! I don't
think any of the men have ever*

*looked me in the eye before.
They just love staring at my
pussy all the time.*

Sounds normal to us.
*I suppose I do spend my
working hours wiggling my
bum in front of their faces.*

How do you like to relax?
*Erm... wiggling my bum in
front of my husband's face! You
could say I'm a workaholic!*

We're interested in this Reflexology lark, Nicola. Can you give us a quick demo?

I'm not touching your feet! I've been with you all day and those socks of yours don't smell too posh.

We were looking forward to a massage. What effect does it have?

In a proper session you'd become really relaxed, really dreamy. It would work wonders. My clients tell me I have a special touch, a nice gentle hand.

We're feeling dreamy already. Yeah, but what sort of dreams, hey? Don't tell me – they're filthy, right? Just like your feet!

We give a great massage.
We use a special tool.
*I can imagine. And this special
tool of yours, it wouldn't happen
to be with you right now?*

Funnily enough...
*Thought as much. I can use
reflexology to make everything
about the body better. In your
case, though — not everything!*

So what sort of man are you looking for exactly? *Somebody who's great in bed, who's kinky, but also intelligent and fun to be with. I'm staying in London for a couple of months so maybe I'll get lucky. What I'd really like to find is a man with a groovy accent. Maybe Italian or French – that always gets my juices flowing!*

We could find you a date if you want. *No, half the fun of going on the pull is not knowing whether you're going to pull or not, chasing the dream of finding that 'special' guy. Whoever gets me is in for a treat, though, I haven't been laid for so long I'll do anything!*

Holiday Rep

Is that why you decided to become a rep?
[Laughs] Maybe it had an effect on me! I certainly liked to visit the beach as often as possible following that session.

Get laid often through your work?
Sure. I'm kept busy...
Tell us more!
No, no... I can't say anymore than that.

Go on. Name someone!
Well... alright then, but just one. He's called Ian Vickers and I've a message for him. You don't know how to shag women, you're useless, mate!
